2012 OCEC Award Nominations Underway

Subject: Request for Nominations for Engineers' Week Awards

On behalf of the Orange County Engineering Council (OCEC), we invite you to participate in the celebration of the engineering and scientific professions' accomplishments during the Engineers' Week in February of 2012. We will be having our Engineering Awards Banquet in February 2012. An event invitation and flyer will be sent in a subsequent letter and posted on www.OCEC.org.

The Orange County Engineering Council is an umbrella organization of all engineering and scientific societies in our county and is engaged in many activities which promote technical disciplines. OCEC sponsors various professional events such as:

- Recognition of the engineering and scientific accomplishments of engineers and projects during the National Engineers' Week.
- Support of scholarship programs and educational initiatives.
- Participation in the Orange County Science Fair and presentation of awards to the outstanding student projects selected by the OCEC Board.
- Support of the Future Scientists and Engineers of America (FSEA) activities and Mathematics, Engineering and Science Achievement (MESA) programs both in high school and university levels.
- Liaison among and team with different engineering and scientific organizations.

We encourage you to nominate worthy engineers or projects from your organizations by December 24, 2011. Award descriptions, nomination form and instructions are attached.

We look forward to hearing from you and recognizing your worthy individuals and projects.

Sincerely yours,

Mohammad Sadiq, P.E., ASCE
OCEC President
Caltrans, District 12
